The Gardens Figure Skating Club is pleased to offer the production of Peter Pan On Ice on DVD. This year's DVD will be amateur/volunteer work from cast members and their families. We plan to add a bonus DVD this year with many scenes from show rehearsals and candid clips as well as any donated footage. We also plan to produce a photo DVD, comprised of the official show photos and many amateur donated photos. Time and circumstances permitting, we may be able to offer a digital copy in addition to the DVD. This project entails filming both shows, editing both shows, editing the bonus footage, organizing the orders, duplicating the discs, designing and printing the discs, designing and printing the case covers, packaging the final product, and organizing the distribution. **PLEASE EXPECT ABOUT 12 MONTHS FROM THE SHOW DATE FOR PRODUCTION AND DELIVERY.**

We will consider all requests from cast families who have purchased the DVD to preview the DVD for suggestions and corrections. This is also a great way to get a free and early copy of a draft DVD. If you would like to volunteer in this role, please contact Catherine Lee. The Board of Directors of the Gardens Figure Skating Club will consider all suggestions and have the final edit and approval before distribution.

We will try to customize your disc package with photos of your preferred skater. If there is a special picture that you would like to have printed on your disc, please email the photo to Catherine Lee, who will try to accommodate you, depending on the style/quality of the photo. Otherwise, we will use a photo from the official photos or a screen shot of the show or rehearsal footage.

We will be offering the entire disc package for **\$35**, which will consist of the two casts, bonus material, and photos. Order forms will be available for download on the club website. You can email/deliver the order form to Catherine Lee and send your payment to the address above. Due to the difficulty of record keeping, we cannot offer individual shows, bonus, or photo DVDs. Our goal is to make this DVD affordable to all cast families who desire to own a copy. **If this \$35 fee is a hardship to you, please contact Catherine Lee for a possible fee reduction or waiver.** When your DVD is ready, we will either announce the distribution or contact you individually. If you would prefer to have your DVD mailed, please add the shipping fee as noted below. We will use USPS regular or priority mail. **Please do not duplicate these DVDs or photos for distribution among potential buyers.**
